A.E. GROFF MILL RUIN - Mid-1800s - In woods, 1,600 feet south of McDonogh Road. Massive ruin built into a hillside. Probably constructed by Abraham E. Groff on former Lyon property called Shiloh Completed. The 1876 tax list mentioned a creamery and ice house combined, whereas the 1918 list mentioned a "mill". Also listed as Maryland Archaeological Site No. 18 BA 102.
